order to gauge whether or not it would be worth my time, and all praised The AA Key Guide Provence and the Cote D'Azur (AA Key Guides Series):

Take the trouble out of travel with AA Key Guides. For independent travellers wishing to select the best for their holiday, the series now covers Provence. Helping you make the right choice, the guide contains super clear mapping, colour photographs and information you really need. There are floor plans throughout and each sight is marked on maps and presented with grid references for easy location. Expert advice is given on the very best things to see and do plus recommended places to eat and stay at all price levels. With coloured plastic dividers uniquely separating each section, Key Guides really are the easiest to use guides...ever!
