From Hawk Books : The Bailiwick of Guernsey: The Channel Islands before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bailiwick of Guernsey: The Channel Islands:

This gorgeous souvenir book put out by the Ministry of Tourism of Guernsey is illustrqated with hundreds of full-color photographs, drawings and maps that feature every aspect of the beautiful Channel Islands. Includes all the scenic areas, towns, historic buildings, beaches, parks and even shopping guides to the stores! An invaluable guide for both those planning to visit the islands, and those who want a memory book of their trip.
