Gianfranco Malafarina : The Basilica of Saint Peter in the Vatican before purchasing it in order to gage whether or not it would be worth my time, and all praised The Basilica of Saint Peter in the Vatican:

A beautiful monograph on the place considered the Temple of the Roman Catholic faith. The book describes in detail the interior of the Basilica, with the many monuments, altars and chapels; and the outside, with the square, the colonnade and the dome. The work is enriched by an exhaustive photographic display.
