Worldwide Bed Breakfast Association : The Best Bed Breakfast England, Scotland, Wales, 2006-2007 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best Bed Breakfast England, Scotland, Wales, 2006-2007:

0 of 0 people found the following review helpful. The Best Bed and Breakfast. England, Scotland and Wales By Alan Ranford My wife and I have used this book on several visits to England and have never been disappointed. We always found the choices to be good value and as described in the book. 6 of 11 people found the following review helpful. Not much in Scotland By Mandi I was planning a trip to Scotland and mainly wanted this book for this particular trip but there's not a very big Scotland section. It will be great for when I take a trip to England though.

From cottages in Cornwall to manor homes in the Scottish Highlands, hundreds of personally inspected residences are listed in this fully updated, lavishly illustrated guide to BBs throughout the United Kingdom. Savvy American travelers know that bed and breakfast accommodations offer great value, interesting locations, and unique hospitality in private homes. Organized alphabetically by county, the hundreds of BBs listed here range from splendid Tudor houses and modern city apartments to quaint nineteenth-century cottages and country pubs. Many accept children and pets; some serve dinner in addition to a full English breakfast; some have magnificent views, a swimming pool, or baby-sitting services. Best of all, no two are alike. All homes listed in the guide have been reviewed by the Worldwide Bed Breakfast Association, and all information on rates and amenities has been updated. All of the homes profiled meet the quality standards for membership in The Worldwide Bed Breakfast Association. Each entry includes a detailed description of the home and setting; fully updated information on rates, amenities, and other practical details; and a color photograph. Road maps of each county clearly show the location of each B B. This is the best reference available for travelers in England, Scotland, and Wales who enjoy BB accommodations.
