Bill North, Gwen North : The Best of Britain's Countryside: The Heart of England and Wales : A Driving and Walking Itinerary (The Two-Week Traveler Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Best of Britain's Countryside: The Heart of England and Wales : A Driving and Walking Itinerary (The Two-Week Traveler Series):

Want to experience the Britain of your imagination? This third volume in The Best of Britain's Countryside series steers independent travelers toward the best of the heart of England and neighboring Wales in a highly informative, yet entertaining style, revealing place and history as few other guide-books do. Avoiding the tourist track, the Norths' customized itineraries of scenic drives and exhilarating walks zero in on the alluring villages, breathtaking landscapes, and historic and cultural sights most worth visiting in this charming pat of Great Britain. Filled with tidbits on customs, language, architecture, and other details,
