book that won't just give me a guide to where to eat, but give me an education on the culture of the foods so when we come across a restaurant, we'll be prepared on what to eat. This book gave us exactly what we wanted, it left us to our imagination so we can provide our own decisions when we go on the trip. Here's an example, the author details into what type of foods you'll expect in Italy and gives suggestions if you're on a budget or if you want to splurge, allowing you to make your own decisions-so I'm probably going to opt in for the budget trip...Don't worry, Sicily is only one place they mentioned, they also have other places such as Florence, Rome, Venetian, etc... They also mention about the history and the shopping, this book pretty much has everything you need to get started Cheers! 0 of 0 people found the following review helpful. A Great Combo of Italian Travel Guidance and Language Learning By Stephanie This is a combo of two books, the first one being an Italian Travel guide and the second one being about learning Italian. If you are planning to visit Italy it is always a good idea to get a glimpse of what you can expect in different cities . This can go a long way in planning your travel so that you do not miss the important and wonderful things in the limited time that you may have. Also you get to know where to eat for the best food experience. The second book gave a good introduction of the basics of Italian so that I could atleast say hello and understand the way of greeting someone. Nice combo if you are planning to go to Italy or get a peep into what Italy is all about. 0 of 0 people found the following review helpful. A great book with fantastic ideas!!! By Nicole W. Planning my first trip abroad has been daunting...Where will I go? Will I get lost? What if no one understands me? Thankfully this book has answered all of my questions! Packed full of great tourist sites and restaurants, this is perfect for anyone who needs that helping hand along the way! With basic language tied in with this wonderful package you really cannot go wrong. Certainly a must read for anyone feeling a little out of their depth.

Travel Guide Box Set #8: The Best of Spain for Tourists: The Ultimate Guide to Spain's Sites, Restaurants, Shopping, and Beaches for Tourists! + Spanish for Beginners: The best handbook for learning to speak Spanish! SPAIN DESTINATION GUIDE! EVERYTHING AVAILABLE! ATTRACTIONS! BEACHES! RESTAURANTS! GRAB YOUR COPY TODAY! AND LEARN SPANISH AT THE SAME TIME! Spain: Spain is a country that is filled with a lot of delightful restaurants. Whether you are a lavish spender or a traveler with a tight budget, you can easily find an eatery that will suit your tastes and preferences. Aside from the menu, the designs of these establishments are all carefully planned to make sure that everyone will have a pleasant dining experience. With more than 5,000 miles of breathtaking and sandy coastline, searching for a beach in this country can be a very easy task. Tourists usually flock towards popular areas such as Costa Blanca, or Costa del Sol. However, there are still other beaches that are as beautiful as the two but less congested and more peaceful. Galleries and museums are sanctuaries for people who are too tired with the hustle and bustle of the city. They may not be as serene as a beach, but these establishments are still good places to visit if you want to loosen up a bit. In addition, it is also nice to learn a little bit of history every once in a while. You will be amazed at how old paintings and ancient artifacts can amaze you. If you are planning to visit Spain, you should definitely check out these galleries and museums. Here Is A Preview Of What is inside... Restaurants in Spain Beaches in Spain Galleries and Museums in Spain Spain's Shopping Districts natural Wonders in Spain Amusement Parks in Spain Much, much more! Learn Spanish: Although Spanish is also said to be one of the hardest languages to learn, it does not necessarily mean that you should already give up your dream of learning this language. All you need are patience and determination to learn. Of course, you will also need a handbook to help and guide you all throughout the process of your learning Spanish. Good thing your purchasing this book! This book contains proven steps and strategies on how you would be able to speak Spanish. Specifically this book covers topics on how to pronounce Spanish words, say simple greetings in Spanish, basic Spanish grammar, asking and answering questions, and a whole lot more that will help you learn communicating in Spanish.
