Bonechi : The Bonechi Gold Guide Amsterdam (Bonechi Gold Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Bonechi Gold Guide Amsterdam (Bonechi Gold

Guides):

0 of 0 people found the following review helpful. Great little guide with which to travel to Amsterdam. By Rev Runner
This is a great little guide to Amsterdam. We needed something to help us get around in the few days we were there. We have a much larger book, which would have been unwieldy for traveling, but this is very informative and gets straight to the point.

Lets you discover Europe's capital cities. This title features informative text, full-colour photographs, illustrations, street guides and monument maps.
