Des de Moor : The CAMRA Guide to London's Best Beer, Pubs Bars before purchasing it in order to gage whether or not it would be worth my time, and all praised The CAMRA Guide to London's Best Beer, Pubs Bars:

0 of 0 people found the following review helpful. indispensableBy Edward HillAn indispensable guide for the beer geek in London. It gives you a great guide to all the best pubs, and even lets you know which ones are more of an

architectural draw, and which ones are more of a draw for their ales (many pubs are known as "tied houses" which means they are owned by a particular brewery and only sell that brewery's ales, which makes it uninteresting from a beer perspective compared to free houses which can offer a wide range of ales). Even more worthwhile is the breakdown of popular British ale brands. As an American it's a whole world of beer I was unaware of. I was just used to the occasional Fullers London Pride at the grocery store import section. 0 of 0 people found the following review helpful. Four Stars By Jake D. Moore Very good guide.
