Chris Andrews, Fiona Kelly, Amy McKee : The Centenary Book of Sark before purchasing it in order to gage whether or not it would be worth my time, and all praised The Centenary Book of Sark:

A 'commentary' volume in words about how the limited edition book -The Book of Sark Commentary Volume - was reproduced and published - 100 years since it was first published - using only the old printing machines that were around 100 years ago, with all the text being letterpress
