From Prestel Publishing : The Collection (Liechtenstein Museum Vienna) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Collection (Liechtenstein Museum Vienna):

1 of 2 people found the following review helpful. The Liechtenstein Collections By Gerald G. Stiebel The Director of the Liechtenstein Collections has given a succinct history of the family and collections. Beautifully illustrated with many of the great masterpieces from this Princely collection. As art books go it sells at a modest price as well.

With the opening of the Liechtenstein Museum in Vienna, an incomparable private collection of artworks from six centuries returns to its original home. Masterful paintings, sculptures, and furniture are displayed in the Liechtenstein Palace, famous for its Baroque architecture and sumptuous gardens. A visit to the museum is a journey through time from the Baroque to the Biedermeier eras.
