Light the fire, burn the candles, grab yourself a snuggly blanket and get yourself all lovely and cosy this winter - it's time to bring some hygge into your life! Hygge (pronounced 'hue-ga') is the Danish concept of creating a warm cosy and inviting home, embracing and celebrating the simple pleasures in life, and creating special cosy moments during those cold wintery months. What better way to while away a few relaxing hours than with this lovely Hygge colouring

book, full of gorgeous designs to colour and keep. Turn off the TV, pop on some mellow music, and unleash your inner creativity as you lose yourself in the flow of colouring in these stunning patterns and designs. Each of these beautiful individual designs are printed on a single page with the reverse left blank – so no bleed through, and perfect whether you use pencils, pens or paints.
