before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Description of Corsica, With an Account of Its Union to the Crown of Great Britain: Including the Life of General Paoli, and the Memorial ... the Forests in That Island* (Classic Reprint):

Excerpt from *The Description of Corsica, With an Account of Its Union to the Crown of Great Britain: Including the Life of General Paoli, and the Memorial Presented to the National Assembly of France, Upon the Forests in That Island* The most considerable Islands in the Mediterranean are, Sicily, Sardinia, and Corsica. They make part of Italy, and have always been deemed its ramparts; their natural language is the Italian; they profess the Catholic religion, and acknowledge the supremacy of the Pope; but, being governed by different sovereigns they differ from each other in their customs and laws. Sicily holds the first rank, Sardinia the second, and Corsica the third. Sicily was called by the Greeks Trinacria on account of its triangular form.
