**From Brand: Graphic Arts Center Publishing Company : The Edinburgh Visitor Guide** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Edinburgh Visitor Guide:

2 of 2 people found the following review helpful. Excellent book! By Backpacker This book is great! It talks about all the attractions in Edinburgh, and has some nice pictures! I'm going to Edinburgh in 4 months, and I will be taking this book along with me. There seems to be few books on Edinburgh only, and this is a great resource! 1 of 1 people found the following review helpful. Medieval contrasting with Modern By Rebecca of "Edinburgh Castle, the capital's most famous landmark, contains a wealth of interest. It houses the Stone of Destiny, the Scottish Crown Jewels (Honours of Scotland), Mons Meg, the One O'clock Gun and the National War Museum of Scotland." ~ pg. 27 The medieval Old Town contrasts with the Georgian New Town as historic and modern buildings stand side by side. The Edinburgh Castle stands above all the structures in all its splendor. The Edinburgh visitors guide is organized alphabetically and there are listings for many attractions including festivals, events, castles, historic houses, ancient monuments,

museums, galleries, gardens, religious buildings and outdoor activities. All the entries include information on websites, opening times and admission. Each entry is accompanied by symbols to indicate say, whether there is a tea room. When you see a coffee/tea cup there is a Tearoom/Café. Is there a picnic area for lunch or a restaurant nearby? These types of symbols are helpful to address many issues from whether there will be a nice view to "where can we park the car?" The authors have made sure this book is visually entertaining as well as intellectually fulfilling. Full-color pictures from many angles and places make this book a tour all on its own. You can truly get a sense of a place you want to visit through viewing the photographs and by reading about all the attractions you may want to see. ~The Rebecca Review 6 of 7 people found the following review helpful. A travel guide which blends tradition and innovation By Midwest Book Review Enhanced with 66 four-color photographs, maps, and indexes, The Edinburgh Visitor Guide is an impressive travel guide which blends tradition and innovation as it showcases Edinburgh's medieval Old Town confusion of stone and spires with her Georgian New Town's ordered symmetry. The side-by-side contrasts of magnificent historic buildings with striking modern structures offers the visitor novel array of architectural delights. Additionally, The Edinburgh Visitor Guide provides a wealth of city history ranging from Edinburgh Castle to the Palace of Holyroodhouse, along with great museums, quaint shops, centuries-old pubs, and contemporary restaurants. If you are planning a trip that will include Edinburgh, Scotland, then be sure to take along your own personal copy of The Edinburgh Visitor Guide!

THE EDINBURGH VISITOR GUIDE is an essential reference for a trip to Scotland's capital. The book features comprehensive listings of where to go and what to see, and is arranged alphabetically. The extensive range of attractions includes castles, historic houses, ancient monuments, museums, galleries, religious buildings, gardens, outdoor activities, nature, and wildlife. Each entry contains information on facilities, opening times, admission, directions, contact telephone number/website, plus a short description, and is numerically linked to one of a number of color maps. Special features highlight history, places, and events. An extensive index references both text and photos, and chapters are color-coded for easy reference to maps. Illustrated throughout with stunning color photography The Edinburgh Visitor Guide is the ultimate companion for tourists, day-trippers and residents.

About the Author Baxter renowned for his sensitive images of the Scottish landscape, is one of Scotland's most celebrated photographers.
