E. Venturini : The Eternal City (The Eternal City Guide - Album - Souvenir of a short visit to Rome) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Eternal City (The Eternal City Guide - Album - Souvenir of a short visit to Rome):

A wonderful book for any visitor to Rome. Book starts with a history of Rome and continues to describe and illustrate most anything you can think of in Rome. There are many photos and illustrations
