**Anthony Jackson : The Faroes: Faraway Islands** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Faroes: Faraway Islands:

The Faeroe islands are one of the fastest-growing tourist regions of Europe. The author describes how natural and social history are linked in the islanders' tradition of bird-catching, fishing and whale-hunting. The book contains maps and 26 tours by car through all the villages.
