**Oliver and Boyd : The Glasgow Almanac and City Lists for 1921 (Almanacs Registers)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Glasgow Almanac and City Lists for 1921 (Almanacs Registers):

This supplement to Oliver and Boyd's New Edinburgh Almanac comprises the City and County of Glasgow, including

Govan, Partick and Pollokshaws. with Tide Tables for Glasgow and Greenock. It contains the usual extensive lists of institutions, officials, and other local information.
