3 of 3 people found the following review helpful. A guide to enjoying one's travel experience in ScotlandBy Midwest

Book Review
The Golf Widow Travels Scotland is a guide to enjoying one's travel experience in Scotland, especially if one is an avid golfer or in the company of a golfer. From dealing with unwieldy luggage to must-see sites across the whole of Scotland to hours and directions for out-of-the-way places and much more, The Golf Widow Travels Scotland offers a homestyle perspective from a woman with 35 years of solo travel experience. Much more personal than an ordinary travel guide, The Golf Widow Travels Scotland is written with humor, flair, and uncanny insight into how to truly spend quality time in another nation.

With or without a golfer or travel companion The Golf Widow Travels offers up 35 years of solo travel experience to make Your dream trip to Scotland a reality. ----- Secrets and confessions about suitcases, purses, finances and safety will quell your fears. Castles, crafts, customs and men in kilts will whet your appetite. If you golf or travel with a golfer, you'll find a select listing of courses and their foibles.

About the Author
Karen Howe has been travelling alone in the British Isles for over 35 years. Her experiences began on a small US Navy Base in Londonderry, Northern Ireland and progressed to buying trips for her two retail shops, Rose Thistle and Wee Bit O'Ireland, based in Seattle. She believes traveling "alone" doesn't mean "lonely". Curiosity and a smile will open worlds of new interests and lasting friendships in places you've always dreamed of.
