From Random House UK : The Good Pub Guide 1998 before purchasing it in order to gage whether or not it

would be worth my time, and all praised The Good Pub Guide 1998:

This independent guide to the best pubs in Britain provides a county-by-county reference containing up-to-date information on over 5,000 recommended pubs in England, Scotland, Wales and the Channel Islands. The guide contains comprehensive maps, special lists highlighting pubs with gardens and no-smoking areas, with home-brewed beer, or by the waterside, plus special awards for outstanding food and value-for money meals. Pubs with bedrooms are featured on the maps, and pubs selling real ale are also listed.
