Comprehensive.By James CrueI bought this for my grandfather. He really likes it. I've looked through it and it really is beautiful. Its filled with beautiful pictures and covers a lot of ground. It has a lot of great scenery of landscapes, cities and artwork from Italian masters. It also has a lot of history and cultural information.9 of 9 people found the following review helpful. Outstanding book and beautiful photos!By Mary Van BrownIf you have ever traveled to Italy or hope to do so in the future, this is the book for you. The book contains many high quality photographs that truly allow the reader to "travel" through Italy a page at a time. Art, architecture, culture, cities and the countryside are all fully represented in The Great Book of Italy - enjoy!

This far-ranging volume brings together two great works about Italy and its unrivaled treasures: Wonders of Italy and Masterpieces of Italian Art. Landscape, architecture, art and events: all the many facets of the peninsula's immense beauty, vitality, and cultural wealth can be found on these pages. They present the ever-engaging "Italian panorama,"

including Nature's masterpieces from the Alps to the ancient history-rich South to the masterpieces of the great Italian artists in the fields of architecture, sculpture, and painting. This magnificent volume features unsurpassed photography and illuminating texts written by experts passionate about this fabulous country.
