Judy Allen : The Guide to London by Bus and Tube before purchasing it in order to gage whether or not it would be worth my time, and all praised The Guide to London by Bus and Tube:

1 of 1 people found the following review helpful. Best London Travel BookBy Patricia AndersonThis is the best guide book to London I have found. Everything is listed alphabetically and a tube stop and bus route numbers are listed for each entry. There are places and facts in this book I haven't come across before. It has lots of historic facts and good maps. I wish they would up date it, as it's from 1988.
