0 of 0 people found the following review helpful. good brief historyBy BackpackerThis book gives a very good brief history of Edinburgh! I found that part the most interesting. The photos are not very clear, and the Edinburgh

attractions are not described very thoroughly. But since there are so few books on Edinburgh only, this book is worth reading. Again, the history section was in-depth yet brief enough.0 of 0 people found the following review helpful. Exceptional condition and excellent service.By Beth CampAbsolutely essential for digging a little deeper when visiting Edinburgh. Very useful maps, historical overview, and excellent graphics for a compact, easy-to-carry but memorable take-it-home intro to Edinburgh. Plus, nice pics.

This is the definitive guide to Scotland's capital, now fully revised. It describes the places of interest, tells you what to look for, and gives you a permanent record of this fine city.'
