Ben Holbrook : The HUNT Barcelona (Hunt Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The HUNT Barcelona (Hunt Guides):

Instead of indiscriminately featuring everything and the kitchen sink, The HUNT team has donned our curatorial colored glasses and carefully selected 100 or so unique, authentic local Barcelona businesses that range from eye-popping and brand spankin' new to deeply patinated and way off the beaten track, funky and unexpected to chic and shiny. We'll show you the non-touristy side of this tapas-fueled, art-filled Catalanian city. Over the last decade, our guides have become the go-to source for a worldwide community of locals and travelers who seek out genuine,

intriguing independent businesses.
