From Brand: Touring Club of Italy : The Italian Riviera: A Complete Guide to Liguria, including Portofino, Cinque Terre, Portovenere, Genoa and Sanremo before purchasing it in order to gage whether or not it would be worth my time, and all praised The Italian Riviera: A Complete Guide to Liguria, including Portofino, Cinque Terre, Portovenere, Genoa and Sanremo:

2 of 2 people found the following review helpful. Old ublication and maybe out datedBy Robert EstiThe book is over 13 years old and maybe out dated with the information enclosed. A newer publication is available for anyone traveling

soon. The historic information would not change but Hotels and Restaurants would change....good luck. Current information is always better. I did not realize that it was an old addition and the information on did not state the date of publication. Bad news all around.0 of 0 people found the following review helpful. Although this book hits the mark as far as information ...By James NegliaAlthough this book hits the mark as far as information goes, it falls short from what I had expected. I was looking for less of a history book, more of a vacation hot-spot discovery area. But the book has a ton on historical data. Bravo!0 of 0 people found the following review helpful. The best guide for LiguriaBy J. BorgheseMy wife is from Liguria and she learned a number of things she did not know about various cities in Liguria. A must have if one is visiting Liguria
