If you are researching or interested in the Jewish community in St. Petersburg this is where you need to turn. It is not exactly a fast nor easy read but it is quite worthwhile and the author was heroic in pulling this nearly lost information together.2 of 2 people found the following review helpful.

Excellent as resource material,By A CustomerExcellent source of resource material on famous Jewish personalities and institutions in Russia - the Soviet Union, especially St. Petersburg at the turn of the century. Few such books exist in English. Expecting more such books.

An Edward E. Elson EditionTranslated by Michael SherbourneSeven walking tours of the Jewish areas of this fabled city.
