A wonderful book.By CustomerI downloaded this to read concurrently with Dr. Samuel Johnson's account of the journey in Delphi's "Complete Works of Samuel Johnson". Used along with he maps and pictures in Google Earth, it was a wonderful experience. The descriptions of Scotland in the latter part of the 18th century were remarkable, as was the repartee of S. Johnson.0 of 0 people found the following review helpful. I Loved This BookBy karenyal'm a sucker for travel journals and I have accumulated a ton of them over the years, but unfortunately, none penned by me. I haven't re-read this recently, but I'm looking forward to doing so, because it's one of the best.0 of 0 people found the following review helpful. more of Boswell's gossipy writing about JohnsonBy D.
