Manfred Leithe-Jasper, Kunsthistorisches Museum Wien, Rudolf Distelberger : The Kunsthistorisches Museum Vienna: The Imperial and Ecclesiastical Treasury before purchasing it in order to gage whether or not it would be worth my time, and all praised The Kunsthistorisches Museum Vienna: The Imperial and Ecclesiastical Treasury:

0 of 1 people found the following review helpful. Five StarsBy David KYou can see the treasures better in this book than in the museum.1 of 1 people found the following review helpful. Just like being thereBy LDThis portion of the

Habsburg Schatzkammer collection is quite dark in places to keep the fabrics from fading. Between that and the reflection of the lights on the glass enclosures, clear photo taking is made very difficult. But this book provides a great viewing alternative. The high resolution photos give a nice cross section of historical objects. Most pages have 2 photos. Some of the closeups are as large as a full page enabling you to see the intricate details of the craftsmanship. The commentary is very thorough and puts many of these treasures into their historically significant setting.4 of 4 people found the following review helpful. Almost as good as being there in personBy LDThis portion of the Habsburg Schatzkammer collection is quite dark in places to keep the fabrics from fading. Between that and the reflection of the lights on the glass enclosures, clear photo taking is made very difficult. But this book provides a great viewing alternative. The high resolution photos give a nice cross section of historical objects. Most pages have 2 photos. Some of the closeups are as large as a full page enabling you to see the intricate details of the craftsmanship. The commentary is very thorough and puts many of these treasures into their historically significant setting.

The secular and ecclesiastical Treasury at the Hofburg in Vienna keeps outstanding symbols of more than 1000 years of European history, from the insignia and imperial jewels of the Holy Roman Empire to precious relics and robes. Important pieces of this collection are presented in full colour with informative text.
