**Enrico Massetti : The Lakes of Northern Italy (Weeklong car trips in Italy) (Volume 3)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lakes of Northern Italy (Weeklong car trips in Italy) (Volume 3):

This is a guide to a multi-days trip in the lakes of Northern Italy. It starts from Novara then it goes to the lakes region, touching Orta Lake, Stresa on Lake Maggiore, driving on the west coast of the lake with a visit to Villa Taranto, to continue to Lugano and the Como and Lake Como: Villa Carlotta, Menaggio, Bellagio, Varenna and Lecco. The itinerary ends at Milan. There are extensive descriptions and photos of the attractions. It contains many reviews for the best recommended restaurants that are at the location described. You have the basic information ready: the name, address and telephone number are included in the guide together with the review.
