Excerpt from The Land of the Midnight Sun, Vol. 1 of 2: Summer and Winter Journeys Through Sweden, Norway, Lapland, and Northern Finland; With Descriptions of the Inner Life of the People, Their Manners and Customs, the Primitive Antiquities, EtcI have adopted the spelling of each country when referring to the names of places and people, etc.; but, as the Swedish and Norwegian languages are very similar, and both now in a state of transition, gradually conforming the spelling to one standard, no confusion will result from this plan.I submit this work to the public, with the hope that they may share with me in the interest attaching to the Scandi navian people and their country.I cannot refrain, before sending these volumes to press, from thanking my old friend and publisher, Mr. Murray, for the kind and liberal manner in which he has always attended to my interests in the publication of my books of travels.About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books.
