purchasing it in order to gage whether or not it would be worth my time, and all praised The lands of the tamed Turk: or, The Balkan states of to-day; a narrative of travel through Servia, Bulgaria, Montenegro, Dalmatia and the recently ... their races, creeds, institutions and...:

This book was digitized and reprinted from the collections of the University of California Libraries. It was produced from digital images created through the libraries mass digitization efforts. The digital images were cleaned and prepared for printing through automated processes. Despite the cleaning process, occasional flaws may still be present that were part of the original work itself, or introduced during digitization.
