I highly recommend it for Christians wanting to strengthen their faith and at the same time being enthralled and pulled along through the reading. I've read the lives of many Saints, but she's definitely one of the most outstanding among them. For myself, I found it

FriesExcept for the exceptionally tiny print, this is a beautiful story of an exceptional, seldom-heard-of Saint!Since this is a new publication, I was surprised at the flowery language but the life is so amazing, maybe that's the only way to describe it!2 of 2 people found the following review helpful. Very interesting readBy TaraI would recommend this book to anyone who is a Benedictine Oblate, as Saint Frances is the patron saint of Oblates.

Her life by Mattiotti, her Confessor for ten years. Mattiotti enjoined her, as a matter of obedience, to relate to him from time to time her visions in the minutest detail.
