From imusti : The Little Orange Handbook: Holland for Newcomers before purchasing it in order to gage whether or not it would be worth my time, and all praised The Little Orange Handbook: Holland for Newcomers:

The Little Orange Handbook offers compact, clear and to-the-point information on the Netherlands. It has been created – and attractively priced – especially for tourists, expats, students, immigrants and business people who visit this country on a regular basis. Or to take along on a trip as a present for friends or business relations. A practical and

quick introduction to a country in which at times it is easy to get lost in a maze of rules, regulations and laws.
