Andrew Sanger, Fiona Nichols, Gillian Thomas, John Harrison : The Loire Valley (Signpost guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Loire Valley (Signpost guides):

0 of 0 people found the following review helpful. Best laid plansBy Linda PagliucoI bought this book prior to a vacation in the Loire Valley, and relied heavily upon it to plan what we'd like to see. It didn't let us down. The photographs inspired enthusiasm, the text provided useful info and tips, and the driving routes were indispensable. I'm sorry to see that this great guide is out of print, but happy that it's still available through other sources. Well worth the price, especially now that it's such a bargain.
