**Slavomir Rawicz : The long walk;: A gamble for life,** before purchasing it in order to gage whether or not it would be worth my time, and all praised The long walk;: A gamble for life,:

1 of 1 people found the following review helpful. The Long Walk....By JOE GUIDEA good read. I cannot give it more credit due to that there is much controversy over it's bonifidies...it certainly is entertaining, and captures quickly the readers attention, holds your attention from chapter to chapter, and draws the reader into its complex desert sea of people and issues confronting the group throughout their journey. I think that a great number of people following WWII heard stories of Russian Gulags and camps and of the hundreds of thousands who died throuhgout that region and want to believe that this story is true and has greater meaning. One would hope for better things in such a life. Therefore the reader seeks something more from this story, and as it cannot be verified by British Military records nor British Hospital records, nor cables from U.S. or British foreign service documents non-classified...one must assume this story is not true, but quite creative storytelling...from the mind of a master.0 of 0 people found the following review helpful. Five StarsBy T. HamiltonBased on real events- - couldn't put it down!0 of 0 people found the following review helpful. Five StarsBy Larry D. RhodesThe book was very old and well read I will be sharing it with family

1956: by Slavomir M. Rawicz- A true story of survival with unbelievable hardships- six men walked 4,000 miles to freedom.
