**Han van der Horst : The Low Sky in Pictures: Understanding the Dutch** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Low Sky in Pictures: Understanding the Dutch:

1 of 1 people found the following review helpful. Three Stars By linda thompson Great pictures but they don't tell you where they were taken at. 2 of 12 people found the following review helpful. The Low Sky In Pictures By ms Very well written. I think you will really enjoy this.

The spectacular photographs and insider information in this introduction to the often cryptic nature of life in Holland provide newcomers with cultural insight into how Dutch society works. The taboos and dilemmas of modern Holland are explored with contextual information about how these idiosyncrasies developed. Advice about engaging in the main themes of public debate and suggestions for navigating social situations effectively are among the tips provided for business travelers or vacationers. Revealing images of Holland heighten appreciation of the unique beauty of the Dutch landscape and people.

About the Author Han van der Horst works for the communication department at the Nuffic, the Netherlands Organisation for International Cooperation in Higher Education. He is a historian and public relations practitioner, as

well as the coauthor of *High over Holland*.
