From ideaMEDIA : The Lublin Province: The Great Book of Municipalities and Communities before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lublin Province: The Great Book of Municipalities and Communities:

This large, coffee-table book is an exhaustively researched and detailed study on the Lublin Province in Poland.Prepared from material provided by the Municipal and Communal Offices of the Lublin Province, it describes with both text and photographs the community's diverse cultural, architectural, geographic, and other demographic particulars of the region.
