**Hugh Palmer : The Most Beautiful Villages of Scotland** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Most Beautiful Villages of Scotland:

0 of 0 people found the following review helpful. Large and SumptuousBy MathMavenI wish I had purchased this sumptuous book BEFORE my trip to Scotland, because I would have altered my itinerary! The pictures are artfully photographed, and every page is printed on glossy photo-quality paper. It is an over-sized book at 10"x12" (25.5x31.5 cm). The photos are large, often crossing over the center fold of the book, which allows a lot of detail. Of the book's 208 pages, the last 9 are a Traveller's Guide, listing regional tourist information centers as well as suggested places to eat and lodge, all conveniently grouped according to region.0 of 0 people found the following review helpful. Scenic Scotland!By Wind StarBought this as a gift for my mother. The photos are crisp and lovely in color. The format of the book is well done. Of all the photos I have seen of Scotland, this is the nicest collection I have come across. Recommended!1 of 1 people found the following review helpful. ... this as a gift to a friend who would love to travel but do to her age and obligations ...By home-cook 59Gave this as a gift to a friend who would love to travel but do to

her age and obligations is unable to do so. She loved it!The pictures were outstanding and made you feel like you were there walking through the villages. A great coffee table book and a great gift for someone who would like to go there but simply cannot.

An unprecedented treasure trove of delightful villages from the land of mist and mystery, of hidden glens and peaceful lochs. In the dramatic landscapes of Scotland, beloved of Romantic poets and composers, lies a wealth of delightful villages, here revealed in Hugh Palmer's evocative photographs and commentaries. The traditional architecture and stunning natural settings of the Highland villages have long proved an attraction to visitors. Some of the most picturesque are former fishing villages, like Auchmithie, from which the herring fleet has long since departed, leaving the splendid harbor to the contemplation of visitors and a couple of lobster boats. Lowland villages often have an air of quiet, well-ordered prosperity. Rows of stone cottages and a fantastic profusion of hanging baskets make places like Luss on Loch Lomond a charming stop on the road north. Here, too, is the extraordinary Dean Village—a complete, self-contained community surrounded by the city of Edinburgh. And among the many ravishing port-villages on the Islands is the little gem of Tobermory on Mull, where the reflection of a main street of brightly painted houses shimmers in the waters of the harbor. Altogether, thirty-five villages are included. Special sections on the Scottish castle and the monuments of the country's Celtic past round out the account, making this beautiful book one of the most complete pictures of rural Scotland in recent years. A Travelers' Guide listing places to visit, to stay, and to eat helps the reader to enjoy even more a visit to the Scottish Highlands, Lowlands, and Islands. 250 full-color photographs

About the AuthorHugh Palmer is one of Britain's leading photographers of architecture and gardens. His books include *The Most Beautiful Villages of Greece*, *The Most Beautiful Villages of Provence*, and *The Most Beautiful Villages of Ireland*.
