Stefano De Caro : The National Archaeological Museum of Naples before purchasing it in order to gage whether or not it would be worth my time, and all praised The National Archaeological Museum of Naples:

A brief introduction to the history of the building and the collections, followed by a detailed illustration of the most representative works in each museum grouped thematically: architecture, painting, decorative arts, historical gardens, etc. All of the items illustrated have been chosen primarily for their artistic quality and offer a comprehensive panorama of a rich cultural heritage.
