This guide an accurate ideal travel companion. It provides honest and factually correct recommendations for hotel, pension and inn lodgings for all budgets in the Benelux. Visit any of the restaurants, cafes and patisseries mentioned that specialize in local cuisine for a meal within your budget. There are many walking and driving tours to view Hanseatic cities, Flemish master, medieval castle and more, but I always consult my Fodor's for the special tips offered. I enjoy reading the informative essays about the Battle of the Bulge, the Dutch waterways and feasting on mussels. I have always appreciate Fordor's maps that include just enough information to get me to my hotels and find my way all around town and to the special locations for tours, railway, buses and taxis.
