This book has wonderful photos of the Netherlands and my Pre-K class enjoyed looking at it. It sparked many conversations about a part of the world many of my students may never see in person. Great for teaching about diversity and other cultures.0 of 0 people found the following review helpful. Great bookBy Ole Doc PJGave this to my 3-year-old granddaughter and she loved it. Her family is preparing for a trip to the Netherlands, and her parents say that this helped set the stage for the trip.0 of 0 people found the following review helpful. Five StarsBy Kayla ProchGreat!

Provides an introduction to the geography, culture, food, and people of the Netherlands.
