Although the book is fantastic in it's inclusion of pictures, maps, and anecdotes, there is little information regarding the area in which I live (to be fair North Brabant isn't really a huge tourist destination).0 of 0 people found the following review helpful. I love these guides for pre-travel readingBy Team FozzEyewitness guides are great for planning a trip in advance. I LOVE the photos and hand drawn maps. I'm also a huge fan of the way they organize the book. I don't think I would take this guide with me to my destination, but it is exactly what I like to have to plan a trip. The Netherlands one, although a little old, has been a very handy tool.0 of 0 people found the following review helpful. Four StarsBy Doctor Rickgood

This beautifully illustrated, updated, and expanded Eyewitness Travel Guide shows The Netherlands as the land of contrasts that it is. It boasts the Frisian Islands in the north to Zeeland in the south, as well as fine sandy beaches, picturesque villages, and vibrant towns. Amsterdam is one of Europe's great cities of art, and the 3D aerial views are the perfect guide to exploring Amsterdam's canals and squares. Also included are cutaways and floor plans that will ensure that you don't miss anything in the major museums and churches. The guide also provides a wide selection of restaurants, shops, and nightlife venues, as well as sights, festivals and markets listed town by town. Whether your interests lie in cycling the remarkably flat countryside, seeing Delft porcelain being made, or visiting the tulip fields or flower markets, this guide will help you to get the most out of your trip to The Netherlands. Don't miss a thing on your vacation with the DK Eyewitness Travel guidebook to The Netherlands. HIGHLIGHTS INCLUDE: Packed with photographs, illustrations, and maps Cutaways and floor plans of all the major sights 3D aerial views of the city's most interesting districts Huge selection of hotels, restaurants, stores, and entertainment venues Specially devised walking tours, special events info
