**Hamish Brown : The Oldest Post Office in the World: And Other Scottish Oddities** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Oldest Post Office in the World: And Other Scottish Oddities:

Hamish Brown, Scotland's popular, veteran outdoor and travel author, takes us on a tour of ninety-four of the oddest locations located throughout Scotland. Each location is given a two page spread with a full color photograph, maps, and a description in Hamish's own, inimitable, style. This compilation of the `weird, surprising and unconventional'

will astonish even those who think they know the country well. From the White Wife in Shetland, to the Oldest Post Office in the World in Galloway, by way of all of Scotland's regions and the strange things to be found, the Scotland-lover is presented not only with a book of unending interest but also a list of visits to tick off as they travel the country in pursuit of the unusual. With this beautiful, larger format book Hamish Brown presents another side of himself (and Scotland) to add to the Munro and Corbett bagging adventurer of Hamish's Mountain Walk and Climbing the Corbetts. "One of the more peculiar travel guides currently available... Brown has a chatty style and charming sense of humor, which make his book an enjoyable armchair read."-Library Journal Jan. 10, 2013

One of the more peculiar travel guides currently available. . . Brown has a chatty style and charming sense of humor, which make his book an enjoyable armchair read. --Library Journal  
About the Author  
Hamish Brown is a distinguished mountaineer, photographer and lecturer best known for his classic titles Hamish's Mountain Walk, Hamish's Groats End Walk, and Climbing the Corbetts.
