THE OPPORTUNIST – AN ENTERPRISING LIFE IN SPAIN is Craig K. Kirkland’s account of his inventive and ignoble efforts to make his fortune. After a rather unscrupulous apprenticeship in the north midlands he is forced to

flee abroad to further his ambitions and in this amusing chronicle he recounts his unethical exploits with brazen honesty. Mr Kirkland's eye-opening tale of ingenuity and avarice, though not for the overly righteous, makes for an entertaining and thought-provoking read. This book is not intended as an instruction manual and the publisher does not condone the author's actions.
