Evan Rail : The Prague Post Dining Guide, 2006 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Prague Post Dining Guide, 2006:

The second annual guide to Prague's moderate and fine dining establishments, published by the city's only daily English language newspaper. Restaurants are divided into the following categories: Asian, Fine Dining, Czech, Middle Eastern, Moderate, Cocktail Bars, and Specialty Food Shops. Beautifully illustrated in full color on magazine quality paper. 72 pages, almost pocket-sized, with a handy foldout map inside the rear cover.
