Rough Guides : The Rough Guide San Francisco Map (Rough Guide City Maps) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rough Guide San Francisco Map (Rough Guide City Maps):

Designed to be tough and immensely practical the Rough Guide Maps provide travel information, and the city's sights, monuments and attractions. The maps show every shop, restaurant, bar and hotel in the Rough Guide travel guide to the city together with their opening times and, in many cases, phone numbers. Each map covers the main area of the city on one side and an enlarged city centre map on the reverse.
