Rough Guides : The Rough Guide to Belgium and Luxembourg (Rough Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rough Guide to Belgium and Luxembourg (Rough Guides):

0 of 0 people found the following review helpful. Rough Guide to Belgium and LuxembourgBy Glenn E GarlandThe real review should follow my trip so I could comment on how much the book helped, but that is at least several months away. So far, I like the layout of the book and the guidelines and resources it provides. The maps are great, and

it is easy to scan to the end description of each site to see recommendations for lodging, meals, and public transport . One nit-pick so far: I plan to make hiking a big part of the trip, and the guide says I can get a map of the "Mullerthal" trail from a tourist office in Luxembourg . I have found this to be impractical . The tourist office will only accept a bank transfer of funds and that transaction costs \$25 at my bank-- while the map cost is about 4 Euros, so I'll just pick it up in Luxembourg, while I would prefer to have it in hand prior to departure. I'm getting similar responses from other tourist offices when specific maps are requested. This is a nit-pick and I know I am probably old fashioned to want to assemble detailed paper maps of my destinations. Overall I am enjoying the guidebook. 1 of 1 people found the following review helpful. Five Stars By Yves Zinggeler Very thorough yet concise. Big fan of rough guides. 1 of 2 people found the following review helpful. ... really small and the book is dense almost more like a reference book that you read in bright light By Readership The print is really small and the book is dense almost more like a reference book that you read in bright light.

The newly updated, full-color Rough Guide to Belgium and Luxembourg is the definitive guide to this underrated corner of Europe. Detailed accounts and crystal-clear maps reveal every nook and cranny of both countries, from the best Belgian beer bars to comic shops, chocolate, and carnivals. The Rough Guide to Belgium and Luxembourg is packed with historical context and well-informed insights into the superb sights, museums and galleries of the big cities — Ghent, Bruges, Antwerp, Brussels, and Luxembourg City — but it also departs from the urban centers for the forests and moorland of the Ardennes, the windswept beaches of the north coast, the WWI sites of Flanders, and Luxembourg's remote hamlets. You'll find gorgeous photography and color maps throughout, plus author picks, themed itineraries, and, of course, the lowdown on the best hotels, cafés, restaurants, and shops across every price range, giving you clear, balanced reviews and honest, first-hand opinions. Make the most of your time on Earth™ with The Rough Guide to Belgium Luxembourg.
