**Greg Ward : The Rough Guide to Brittany Normandy 9 (Rough Guide Travel Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Rough Guide to Brittany Normandy 9 (Rough Guide Travel Guides):

Brittany and Normandy is one of France's most visited regions with its outstanding scenery, picturesque villages, remarkable history and fine French produce. The Rough Guide gets under the skin of the area with informed coverage of all the sights from the magnificent abbey of Mont-St-Michel to the evocative medieval city of Rouen. There are practical tips on a host of activities including trips to Brittany's stunning off-shore islands and cycling the backroads. In each chapter there are critical reviews of the best hotels, cafés and restaurants, in every price bracket. Finally a detailed "contexts" chapter covers the history of the region, further reading and an essay on Breton music.

About the Author Greg Ward has written eight previous editions of the Rough Guide to Brittany Normandy, as well as eleven other Rough Guides including US destinations such as Hawaii and Las Vegas, as well as the History of the USA and Travel Online.
