"The Rough Guide Map Czech Republic", is the most complete and indispensable companion to this country of inspiring landscapes and rich culture. The map covers every corner, taking in the handsome architecture of Prague to the Spa towns of West Bohemia and the alpine splendour of the High Tatra mountains. For those travelling by car, there is detail of the road surfaces, distances between towns, road numbers, petrol stations and places of interest from castles to viewpoints. For the visitor reliant on public transport, the map details train lines and stations. The scale of 1:350,000 allows for details of the smallest hamlet and unsurfaced track or path, enabling the visitor to get off the beaten path without getting lost.
