Jan Dodd, Nana Luckham : The Rough Guide to Dordogne and the Lot 3 (Rough Guide Travel Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Rough Guide to Dordogne and the Lot 3 (Rough Guide Travel Guides):

1 of 7 people found the following review helpful. Not all thereBy Pat R. This book is great (content) as are all Cadogan

Guides. It arrived promptly and in apparent good condition. It wasn't until I began to read it that I noticed that pages had been torn out. These were important pages to the content of the book. I paged through the rest of the book and found several other places in which the same thing had happened. Returned it to - received an immediate replacement in mint condition. Thank you, .
