Tim Jepson, Jonathan Buckley : The Rough Guide to Florence 2 (Rough Guide Mini Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rough Guide to Florence 2 (Rough Guide Mini Guides):

"The Rough Guide to Florence" is the ultimate pocket handbook to one of the world's great cities. Features include: expert commentary on the wealth of attractions, from the cathedral dome to the Uffizi, and from Michelangelo's David to the flea market; incisive reviews of the best hotels, restaurants, bars, clubs and designer shops; day-trips to Fiesole,

Pisa and Siena; and full-colour maps for the whole city, plus plans of galleries and monuments.
