KaulI've been reading this guide for a trip in December. It seems comprehensive and I like that it details summer and

winter hours for the various attractions. What surprises me is that many accommodations are in the L90-L150 range which I consider not to be "budget". It does list some hostels but I would have expected many more. Of course google/tripadvisor/hostels type websites can be used for detailed research.

Full-color throughout, The Rough Guide to Great Britain is the ultimate guide to Rough Guides' home turf. With more than 30 years of experience and our trademark "tell it like it is" writing style, we cover all the basics with practical, on-the-ground details, as well as unmissable alternatives to the usual must-see sights. The Rough Guide to Great Britain includes: more than 50 color-coded maps featuring every listing; area-by-area chapter highlights; Top 5 boxes; a Things Not to Miss section, and more. Each guide also reviews the best accommodation and restaurants in all price brackets so you are guaranteed to get value for your money. Make the most of your trip with The Rough Guide to Great Britain.
